COVID-Update of October 13, 2021.

Dear Mary M. Knight Families,

We were notified late on Monday, October 11, 2021 that two (2) middle school students from the same family had tested positive for COVID-19. The last day the students were in attendance at MMK was on Thursday, October 7, 2021. The students are home isolating with mild symptoms.

The two (2) middle school students were exposed to the virus by a family member who was COVID-19 positive sometime between October 4-7. We are in the process of attempting to complete contact tracing to determine if other students may have had a close contact with these students (within 3 feet for 15 minutes or more during a 24 hour period).

We are asking that parents with children in grades 7 and 8 to monitor their child's health and monitor for COVID-19 like symptoms.

If a child is sick or displays COVID like symptoms (Fever, Cough, Headache, Body Aches, Sore Throat, Nasal Congestion, Shortness of Breath, and if they have been in close contact with someone with COVID-19) parents should keep their child home. If the symptoms persist, you should contact your healthcare provider.

Please contact me at 360-426-6767 or a mmallery@mmk.wednet.edu if you have any additional questions.

Matt Mallery
Superintendent
