We have good news! As of Monday, August 31st, the Office of Superintendent of Public Instruction (OSPI) has announced that the USDA has extended free meals for kids through the end of 2020, OR until available funding runs out. We are in continuous communication with OSPI and will update families with any changes as soon as possible.

What does this mean for you?

- Children will NOT have to pay for school meals.
- FREE breakfast and lunch will be served to students and community members who are 18 years and younger in a 'grab and go' manner.
- Meals will be served on school days only.
- Child Nutrition guidelines state we must have a signed waiver with the parent signature to pick up meals or the student must be present.
- Meals will be delivered to MMK enrolled students and siblings via regular bus route stops.
- For non-enrolled children, we will provide curbside pick-up service at the school between the hours of 9:30-11:00am. When picking up meals, please remain in your car. We will bring meals to you.
- Meals are limited to one (1) breakfast and one (1) lunch per child, per day. We are working hard to provide as many meals as possible to every child in need.

If you are interested in participating in this program, contact Kitty Brehmeyer at the MMK district office. 360.426.6767. She will assist you in getting set up for the program.
