

Mary M. Knight School District seeks volunteers for committee to write statements for, against upcoming ballot measures.

The Mary M. Knight School District is seeking citizens who are interested in writing “for” or “against” statements for inclusion in the Mason County Voters’ Pamphlet. The statements relate to the District’s upcoming Replacement Educational Programs & Operations Levy that will appear on the February 8, 2022 ballot.

RCW 29a.32.280 requires that the Mary M. Knight School District appoint persons known to favor the measures to serve on the “for” committee, and also to appoint persons known to oppose the measures to serve on the “against” committee.

Individuals from the community who wish to participate on either committee must email their name, mailing address, phone number and email address to lseymour@mmk.wednet.edu by 5:00 pm on November 29, 2021. Please indicate the committee and the proposition your interest in.

The Mary M. Knight School District Board of Directors will take action on the appointments at the November 29 Board Meeting. The District will notify successful candidates of their committee appointments on November 30, and provide instructions on the statement requirements and deadlines.
