4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the up coming school year.

Mary M. Knight SD will reduce the barriers of student participation by covering ASB cost for all students, providing appropriate transportation when available, and offering more options for extra-curricular activities. We are adding another option for middle school boys and girls next fall - flag football. Although there will always be some barriers present, MMK strives to give every student the opportunity to participate.
